<http://www.guardian.co.uk/film/2008/jun/16/robertdowneyjr> Robert Downey Jr. be owin' me a eskplanation for Tropic Thunder, he stoled his character straight up from me! Now normally, Smoove J would be flattered by such recognition, had it been a BLACK ACTOR. But this is yet another example of the White Man exploitin' and stealing from the culture of the Black Man, and that I finds intolerable. He shore got my look right though.
