Schizophrenic throntum, squarewheel, pinkqueer aka deserter michael j. strainic, the habitual liar, You know? YOU GIVE ME A FEELING OF EXTREME ECSTASY/HAPPINESS, knowing you're a pervert, and I'm a Christian family man, and that you know, that if I would see you face to face, I'd squash you like an ant and the world would be better off! Come see me coward: <http://www.billhughes.com/map.htm> and I'll fix your problem!!!!!! Keep them coming as with each of your posts proves again you are a lying faggot deserter, and that I'm the Christian Good Guy with a family: <http://billhughes.com/> like when you tried to tell us you weren't pinkscum. And you you're so..... Stupid as to not know your government and most companies use forms that are numbered with revision dates??????? What a loser!!!!!!! One visit to my web page at: <http://billhughes.com/will> prove your last lie wrong again. This from the biggest deserter of them all! The jealous, really weak jealous retard using Linux, I can't believe how jealous this little draft dodging coward schizophrenic psychopath liar is hiding in Vancouver via S0106000ea6ba70e7.vn.shawcable.net 24.86.24.251 intrepida...@shaw.ca until I killed it. Then started using another IP of 24.80.200.127 s0106000ea6ba70e7.vc.shawcable.net and That's been killed by me and is now: 24.80.201.123 s0106000ea6ba70e7.vn.shawcable.net 64.59.135.176 then killed again by me in March of '08 and is now: 24.80.212.226 64.59.159.43 s0106000ea6ba70e7.vn.shawcable.net : <http://billhughes.com/temp/SWimp.jpg> Killed that one, now: 64.59.135.176 s0106000ea6ba70e7.vn.shawcable.net 24.86.20.48 Killed! 24.86.25.219 s0106001cc08345fd.vn.shawcable.net Killed Now: 64.59.151.90 dx7nv-g3.vn.shawcable.net killed. Back to Vancouver 174.7.67.87 s0106001cc08345fd.vn.shawcable.net Whose only way to get attention is to make a fool of its self using foul language, like michael j. strainic did back in elementary school yard. But, too afraid to use it's name and address, and take on responsibility like a grown up. With an obsession with perverts and goats, where it writes via remailers, @news.alt.net, and cross posts to other perverts to no one's surprise. With extreme jealous ranting over my documents, possessions, successes, manliness and fine, Southern California surfing body, beard, and loving Christian family: <http://billhughes.com/>. Committing forgery over many of my posts, proving I'm a responsible American man. You remind me of a little rat dog, like a Mexican Chihuahua with its senseless barking, me too, me too. You're even more senile than I first thought. And the poor thing, you're too girlie to take responsibility for yourself again, by signing your statement like a man. That really thinks the group's members are so stupid not to know it's the same coward, posting over and over again using a schizophrenic psychopath forged up names? You're not worth any more time when a cut and paste this same paragraphs it fits so well! But, now worth a forwarding to: internet.h...@shaw.ca, secur...@shaw.ca, ab...@shaw.ca, internet.ab...@sjrb.ca, ab...@aioe.org, ad...@cox.net for forgery. It's America, love it, or leave it, so keep the f*ck out! Or let me know when you cross my American border, so I may arrest you! YOU ARE A TRAITOR and lost all rights to my American border, and someday I'll have you in jail where you belong! Any time, I'll fly and meant with other patriots guarding our borders against vermin like you. Why don't you call the San Diego Sheriffs Department at 858-974-2020 YOU NEED HELP! The moral majority say you are not only faggots, but cowards You wouldn't know about business as you have never succeeded and anything. Tell me when you are about to cross my American border and I'll fly up and arrange at meeting with the U.S. Border patrol and Minutemen for your arrest, after you give me your name, address, date, and meeting place.
